SHORT MOBILITIES at Conservatorio Superior de Musica

“Andrés de Vandelvira” di JAEN - Spain

BIP “Orchestral meeting: from symphony to soloist concert”

The BIP Project *Orchestral meeting: from symphony to soloist concert* is part of the ERASMUS+ activities planned for the 2024/2025 academic year at the *Andrés de Vandelvira* Conservatory of Music in Jaén. This activity is focused on the preparation of a concert with the Conservatory Orchestra over the course of a week, in which rehearsals, classes and the concert itself will be scheduled.

Participation in all the planned activities will allow the recognition of 3 credits.

The program is divided into two parts. The first, dedicated to the symphonic repertoire itself, in which L. V. Beethoven's *Symphony No. 8* will be worked on and performed; and a second part in which soloist works will be performed.

The works to be performed are *Tzigane* by M. Ravel, in its version for saxophone, and the concerto for vibraphone by the French composer and percussionist E. Séjourné.
